Subject: Canadian Police Association (Support for Emergencies Act)

Good afternoon Minister Mendicino, Minister Blair,
Further to conversations between Minister Blair and our National President, Tom Stamatakis, the Canadian Police Association is happy to offer the attached endorsement of your government's actions regarding the declaration of emergency to help end the occupation in Ottawa, as well as to prevent further disruptions to communities and critical infrastructure.

Please don't hesitate to let me know if there's anything else we can help with in the short or long term in this area.

Regards,

Michael Gendron

Government Affairs and Communications Officer
Canadian Police Association
